

# Eastbourne Borough

## Walking Football Club

### Process for session sign up/attendance:

1. All players should use InstaTeam to sign up for each session, as per the guidelines on the EBWFC website
2. Cut off timings for signing into each session are:
  - 12pm on Sunday for the Tuesday session
  - 12pm on Tuesday for the Thursday session
3. **Prior to the Cut off timings**, If any member has an access issue with InstaTeam access, or in exceptional circumstances cannot use the App', then a call or text can be made to either the Captain or Vice Captain to be included into the relevant session.
  - Captain: 07976 565646
  - Vice Captain: 07860 375694
4. Teams will then be selected and shared in advance of the session
5. The maximum number of players we can have in a session is 42
6. It is understood that sometimes circumstances change, and players wish to attend having not signed up for a session and being allocated to a team. **All efforts will be made to allow everyone to play, but there is no guarantee of participation if players turn up having not signed into a session by the cut off point**
7. For players who turn up on the day, without having signed into the session, the decision as to participation and allocation to a specific team rests with the Captain or Vice Captain.
