**WALKING FOOTBALL**

## **Process for the Disciplinary committee/club**

1. Complaints/issues should be raised to either a committee member or Referee coordinator for the Disciplinary Committee (“DC”) to consider
2. The complaint should be documented by the “DC” and agreed with the member who raised the complaint
3. Complaint will be investigated by the “DC”, and managed in a confidential manner, whilst recognising the potential need to discuss the complaint with other club members
4. The outcome of the complaint investigation will be given in writing to the member who raised the complaint.
5. As a guide, the “DC” will try to work to a 28 day window to conclude the complaint investigation
6. If the outcome of the complaint is felt unfair, the member who raised the complaint can appeal to the club committee who will review the decision and advise the member who raised the appeal of their decision within 21 days of the appeal being formally lodged in writing

## **Blue cards/Red cards**

1. If a referee issues a blue card, then the player serves a 2 minute off-field suspension
2. If a referee issues a red card, then the player leaves the field, and cannot play in anymore games for that days particular session
3. The referees group will track all cards issued during the course of a calendar year and flag to the “DC” any persistent trends
